

[2015 IEEE International conference on Robotics and Automation \(ICRA 2015\)](#)

ICRA is the IEEE Robotics and Automation Society's flagship conference and is a premier international forum for robotics researchers to present their work. The 2015 conference will be held May 26-30, 2015 at the Washington State Convention Center in Seattle, Washington, USA.

The conference will include plenary and mini-plenary sessions, contributed paper sessions, workshops and tutorials, an industrial forum, exhibits, and robot challenges as well as some events that are new to ICRA, such as a PhD, a career fair, and a developing countries forum. ICRA is the IEEE Robotics and Automation Society's flagship conference and is a premier international forum for robotics researchers to present their work. The 2015 conference will be held May 26-30, 2015 at the Washington State Convention Center in Seattle, Washington, USA.

Deadline for full-length papers submission: **October 1st, 2014**
