Verona

Opening

Center for Experimental Surgical Robotics

1st December 2011

Verona Hospital

Registration required

Email to: carla.benoldi@gmail.com

The Event

The event is the public presentation of the new Surgical Robotics center:

University of Verona

Azienda Ospedaliera Universitaria Integrata Verona

Politecnico di Milano

The goal of the center is to develop and test new devices and computer algorithms for robotic surgery. The results of many European projects, either active or concluded, will converge in the laboratory, which will foster the transition from research to clinical practice.

The Program

12.00

Press conference at Polo Chirurgico “Pietro Confortini”, Piazza Canneto – Ospedale Civile Maggiore di Borgo Trento- Verona (Italy).

Speakers:

Flavio Tosi, Mayor of Verona City

Prof. Alessandro Mazzucco, Rector of Università di Verona

Prof. Giancarlo Ferrigno, Politecnico di Milano, Bioengineering Department

Dott. Sandro Caffi, Head of the Azienda Ospedaliera di Verona

Prof. Massimo Gerosa, Università di Verona

Prof. Paolo Fiorini, Università di Verona, Computer Science Department

Dott. Pierpaolo Benetollo, Medical Director of the Azienda Ospedaliera di Verona

Dr. Roberto Foroni, Neurochirurgia Stereotassica, Azienda Ospedaliera Universitaria Integrata Verona

It will follow visit at the surgical robotic center and demo sessions.

Registration required

The Location

The presentation will be held at Polo Chirurgico “Pietro Confortini”, Piazza Canneto – Ospedale Civile Maggiore di Borgo Trento- Verona (Italy).
