

Workshop: "Developments and Trends in Navigation Assistance"

European Robotics Forum
5th March 2012 Odense, Denmark

We cordially invite you to participate and contribute to the workshop on "Developments and Trends in Navigation Assistance" at the European Robotics Forum (<http://www.europeanrobotics12.eu>) in Odense on 5 March 2012.

The workshop will identify and discuss common aspects and key differences of navigation assistance in different domains (automotive, surgical and rehabilitation). More information can be found below and on the workshop website:

<https://www.radhar.eu/events/workshop-on-developments-and-trends-in-navigation-assistance>

Please feel free to contribute to the workshop, by submitting your(short) abstract here:
