

The [Politecnico di Milano International Fellowships](#) is a new R&D funding programme designed to attract young, bright and highly motivated post-doc researchers from all over the world. The programme is part of a wider strategy of our University that aims to enhance the internationalization of competences, research activities and of key actors.

Politecnico di Milano offers **11 positions for an R&D period of at least 2 years (2013-2014)**, open to all research areas:

- Mathematical Sciences, Physical Sciences, Computer Sciences (1-3 fellowships)
- Civil Engineering And Architecture, Earth Sciences, Social Sciences and Humanities (2-5 fellowships)
- Industrial Engineering and ICT, Chemical Sciences, Biological Sciences, Medical Sciences (3-7 fellowships)

The Post-Docs will work together with selected R&D groups belonging to the [Departments](#) of Politecnico di Milano.

The grant has a value of 35,000 € per year. Accommodation will be provided at POLIMI [Residences](#) in Milano at very convenient prices.

The deadline for the submission of the proposal is **July 16, 2012**.
